Hi, Mr. Bouie – The August 16 date works for GP. I have not received affirmative responses from ADEQ and ADH, but I believe we should proceed as long as the date works for you and GP. **Please confirm that you would like to go ahead with charrette at 1:30 p.m. on August 16, 2016 at the Crossett Public Library.** Thank you! -- Tressa

Hi, Mr. Bouie – Thank you for sending us your suggested reschedule dates of July 18, August 16, and August 25. We will get back to you shortly. As I mentioned before, we would like to use a trained facilitator to help keep the meeting focused and productive. I have attached the resumes of two facilitators who we think would be a good fit. **Please let us know if you have a preference.** Thanks again! -- Tressa

Good morning, Mr. Bouie – I received your voicemail, and Israel informed me that the two of you were able to speak yesterday afternoon about rescheduling the charrette. **Please give us a few dates that will work for you and Crossett Concerned Citizens for Environmental Justice to conduct the meeting.** A response by Monday, July 11, 2016, is appreciated, so that we can share with GP and the other persons who we would like to participate. Thank you! -- Tressa

Hi, Mr. Bouie – GP will not be able to attend on July 16 as they originally thought. We would like to reschedule for a date in September 2016. Please let us know if that will work for you. Thanks! -- Tressa

Dear, Mr. Bouie – EPA Region 6 would like to bring together a small group of community stakeholders to discuss air quality in Crossett, Arkansas. This meeting will be an opportunity to share information on the voluntary air monitoring that has been conducted and to talk about ways the community can work together on any ongoing concerns. We would like the group to include a small group of residents and

representatives from local government, State agencies, and industry, so everyone can voice their perspectives and hear the viewpoints of others in an effort to improve communication and cooperation.

The meeting is tentatively scheduled for **1:30 – 3:45 p.m. on Saturday, July 16, 2016**, at the Crossett Public Library, 1700 S. Main Street, Crossett, AR 71635. (Please note: the meeting time has been moved up to a little earlier since the last time we spoke.) Our goal is to have you and 2-3 others from Crossett Concerned Citizens for Environmental Justice to participate in the meeting. If you have any questions, please contact me or Mr. Israel Anderson at [214-665-3138](tel:214-665-3138). We hope you will be able to join us. Thank you! -- Tressa
